2018 ILEETA Conference Live Fire Course Registration

Note: You must be registered (don't have to have paid your invoice yet) for the 2018 ILEETA Conference to register for these courses. You must be a law enforcement firearms instructor to attend these courses. You will receive an email confirmation of your registration. Course registration is first come - first served. If a course is no longer listed in the course selections it has been filled but there are waitlists for each course. Please register for no more than 5 courses and do not register for courses scheduled at the same time. If we do not secure adequate supplies of donated ammo we will endeavor to have ammo for sale at the conference site. Cap, ear and eye protection are required, body armor is highly recommended, and appropriate clothing for the weather. We will have some loaner weapons but bring your own duty belt. The link after the title will enable you to register for the course. By using your member profile username (preferred email address) and password the Wild Apricot system will auto populate many of the data fields saving you a lot of typing.

At the Speed of a Gunfight!

<https://ileeta.wildapricot.org/event-2798984>

- **Instructor:** Todd Fletcher - Combative Firearms Training, LLC

This class provides firearms instructors with drills, tips, tricks, and techniques for developing the combative speed and accuracy officers will need should the unthinkable become their reality. Instructors will challenge their ability to deliver shots with combative speed and practical accuracy while developing the skills necessary to facilitate effective adult learning. This class is designed as an instructor development class. Attendees will demonstrate the ability to perform speed and accuracy drills, provide feedback to shooters, and diagnose shooting errors.

Todd Fletcher is a sergeant in Central Oregon with over 23 years of law enforcement experience. He has presented firearms and instructor development training nationwide and at multiple regional, national, and international conferences. Todd is part of the IALEFI Master Instructor training cadre, and a staff instructor for NLEFIA. He owns Combative Firearms Training, LLC providing firearms training and instructor development classes to law enforcement, military, private security, and armed citizens. He can be contacted at Todd@CombativeFirearms.com.

Dynamic Use of Target Systems

<https://ileeta.wildapricot.org/event-2798954>

- **Instructor:** Police Officer Gary Monreal - Team One Network

This course will provide a series of dynamic training exercises that will help you improve your live fire-training program. We will be incorporating a variety of target options that provide a pathway to improve the skills of your students. In law enforcement communities around the world, we know that realistic training is the key to giving students the experience necessary to prevail in stressful situations. The course will offer some of our ideas on the use of a variety of targets in creating a building block approach to realistic training during live fire exercises. Drills will be conducted using a variety of Action Targets reactive steel targets and auto targets that can be programmed to react to different hits on target.

Gary J. Monreal has over twenty-three years of law enforcement experience in corrections, patrol, SWAT, and training. Gary is an instructor-trainer and currently teaches various firearms, defensive tactics and SWAT courses. Gary is an adjunct instructor in the technical college system for the State of Wisconsin and has given various presentations at firearms and SWAT conferences throughout the United States, Germany and China.

Tactical Live Fire Skill Builder

<https://ileeta.wildapricot.org/event-2798979>

- **Instructor:** Sergeant Alex Embry - McHenry County Sheriff's Office

This instructor level course will help trainers structure live fire drills that will hone shooting skills designed to increase officer's capabilities in regard to tactical situations such as counter-ambush, building clearing, and two officer response to critical incidents. These drills will make it possible to coach shooters to a higher, more dynamic level of performance in these situations.

Participants will then look at applying those skills in live fire simulations that can be conducted with minimal equipment and outlay of funds.

Sergeant Alex Embry has served at the McHenry County Sheriff's Office for 13 years and is currently assigned to the Training Division. He is the Range Master for the Firearms Training Unit as well as the lead instructor of the Control Tactics Cadre. He is assigned as the Team Commander of the Sheriff's Office multi-jurisdictional SWAT Team and has deployed previously as an entry team member, sniper/observer, ATL and Team Leader.
