

Certification and Live Fire Course Registration

Courses with limited attendance require pre-registration which will begin on 2/1/19 at 8 am EST. These courses are certification and live fire courses. Link addresses are registration through ILEETA and you must use your ILEETA username (preferred email address) and password to register. If an email address is listed simply email the instructor requesting to be registered for the course and provide your name, agency and contact phone number. Please, only one member per agency until after 2/15/19 to afford as many agencies as possible to benefit from this training. Do not register for courses being offered at the same time (download and check the schedule on the [conference site map page](#)).
